

# Cecilia

---

G G G G

B                      E                      B  
Cecilia, you're breaking my heart  
         E                      B                      F#  
You're shaking my confidence daily  
         E   B                      E                      B  
Oh Cecilia, I'm down on my knees  
         E                      B                      F#  
I'm begging you please to come home  
         B  
Come on home

B                      E                      B  
Making love in the afternoon with Cecilia  
         E   F#                      B  
Up in my bedroom  
         B                      E                      B  
I got up to wash my face  
         B  
When I come back to bed  
         F#                      B  
Someone's taken my place
