

Hangover

Quags

G C D C
I'm aching all over I got a hangover And it's all because of
G C D C D
You making me crazy But I'm much too lazy to find me someone new
C D C D
Cuz there's nobody else who will do, They couldn't do the things that you do
C D C
You make me glad when I'm feeling blue, The way you hold me the whole night
C D C D C D
Through baby, my eyes are turning hazy It's only you who can save me
C D
You know I'd die die die if you say goodbye

G C D C
I got a hangover, I can't stay sober And it's all because of
G C D C D
you wear my defenses my brain is senseless and I don't know what to say
C D C D
you keep me running around all day, 'guess it's the price that I must pay
C D C
sometimes I feel that I should go away but it's the *view* that I want to
C D C D C D
stay with me baby, please don't tell me maybe I need more of that love than you gave me
C D
I want to walk right in and do it again
G C D C
You think it's so funny to spend all my money And you even keep the change
G C D C D
Ooh what can I do know I must get through somehow It's that or become your *aidge*
C D C D
Oh yes you always fools around, you're always running all over town
C D C
Oh it's so hard to track you down, You know I feel just like a blood—
C D C D
hound it's not easy, I just wish you weren't so sleazy
C D C D
Don't you ever feel that you need me, I want to go go go but I can't say no!
