## [Verse 1 – Guitar Only]

We'll do it all, everything, on our own.  
We don't need anything, or anyone.

## [Chorus 1 – Guitar & Bass]

If I lay here, if I just lay here  
Would you lie with me, and just forget the world.

## [Verse 2 – Guitar Only]

I don't quite know how to say how I feel.  
Those three words, are said too much, but not enough

## [Chorus 2 – Guitar, Bass & Keys]

If I lay here, if I just lay here,  
Would you lie with me, and just forget the world.  
Forget what we're told, before we get too old  
Show me a garden that's bursting into life.

## [Verse 3 – Keyboard, Bass & Tambourine]

Let's waste time, chasing cars, around our heads.  
I need your grace to remind me, to find my own.

## [Chorus – Everyone in 80%]

If I lay here, if I just lay here  
Would you lie with me, and just forget the world.

## [Everyone – 90%]

Forget what we're told, before we get too old  
Show me a garden that's bursting into life.

## [Everyone - 120%!!!]

All that I am, all that I ever was  
Is here in your perfect eyes, they're all I can see  
I don't know where, confused about how as well  
just know that these things will never change for us at all.

## [Outro – Guitar Only]

If I lay here, if I just lay here  
Would you lie with me, and just forget the world.
