Have you ever been close to tragedy
Or been close to folks who have?
Have you ever felt a pain so powerful
So heavy you collapse?

OHHHH

E B C#m
I've never had to knock on wood But I know someone who has
A
Which makes me wonder if I could, It makes me wonder if I've
E B C#m
never had to knock on wood And I'm glad I haven't yet
A E
Because I'm sure it isn't good That's the impression that I get

Have you ever had the odds stacked up so high
You need a strength most don't possess?
Or has it ever come down to do or die
You've got to rise above the rest?

OHHHH

I've never had to knock on wood But I know someone who has

Which makes me wonder if I could, It makes me wonder if I've
E B C#m

I'm not a coward, I've just never been tested
I'd like to think that if I was I would pass
Look at the tested and think there but for the grace go I
Might be a coward, I'm afraid of what I might find out

Never had to knock on wood But I know someone who has

Which makes me wonder if I could, It makes me wonder if I've

[softer]
I've never had to, I'd better knock on wood
Because I know someone who has,
Which makes me wonder if I could, it makes me wonder if I
I've never had to, I'd better knock on wood
Cuz I'm sure it isn't good, and I'm glad I haven't yet
It's the impression that I get
