She made me cry, she done me wrong  
She hurt my eyes open, that's no lie  
Tables turning, now her turn to cry

Well, she used to run around with ev'ry man in town  
Spent all my money playing a highclass game  
She put me out, it was a pity how I cried  
The tables turning now, her turn to cry

Well, I used to wake 'the morning, get my breakfast in bed  
When I gotten worried she could ease my aching head  
But now she's here and there with every man in town  
Still trying to take me for that same old clown
