

What's my age again?

I took her out, it was a Friday night
I wore cologne to get the feeling right
We started makin' out and she took off my pants
F# C#
But then, I turned on the TV...

And that's about the time she walked away from me
Nobody likes you when you're 23
And are still more amused by TV shows
What the hell, is ADD, my friends say I should act my age
D#m C# B
What's my age again? What's my age again?

F# C# D#m B
Then later on, on the drive home
I called her mom from a payphone
I said I was the cops and your husband's in jail
F# C#
This state looks down on sodomy

And that's about the time that bitch hung up on me
Nobody likes you when you're 23
And are still more amused by prank phone calls
What the hell is call ID, my friends say I should act my age
D#m C# B
What's my age again? What's my age again?

And that's about the time she walked away from me
Nobody likes you when you're 23
And you still act like you're in freshman year
What the hell is wrong with me, my friends say I should act my age
What's my age again?

That's about the time that she broke up with me
No one should take themselves so seriously
With many years ahead to fall in line
Why would you wish that in me, I'll never wanna act my age
D#m C# B
What's my age again? What's my age again?
