

## Eita nu strâdât

CAPO 5

C                      G            C  
Eita nu strâdât, cîtîgi gâdât  
C                      D            G  
Lai jums darbu izdodas veikt.  
C                      G  
Kustiniet rokas, kâjas lai lokas,  
C    G            C  
Slinkot jums nebûs un nebûs ar steigt

F                      C            F                      C  
Apdomâ darîts, darbs tikai sokas,  
G                      C            D                      G  
Tâ tik to teicami izdodas veikt  
G                      C    F            G                      C  
Tâ tik to teicami izdodas veikt

C                      G            C  
Jautri pie darba, valoda skarba  
C                      D            G  
Neder kur ar, un neder kur sēj  
C                      G  
Māju un druvu, tâlu un tuvu  
C    G            C  
Dziesmâm lai tricina katris cik spēj

F                      C            F                      C  
Kur tik sper kâju-druvu un mâju  
G                      C            D                      G  
Dziemâm lai tricina katrs cik spēj  
G                      C    F            G                      C  
Dziemâm lai tricina katrs cik spēj

## Eita nu strâdât

C                      G              C  
Namiðâ iesi, sieru tu siesi  
C                      D              G  
Plâceðiem malku skaldîsi tu.  
C                      G  
Tev piekrît trauki, istabu slauki  
C                      G              C  
Øodien pa æèæi valdîs tu.

F                      C              F                      C  
Katrs øe tîkos, darît kê rîkos  
G                      C              D                      G  
Silmaàos ilgi valdîsi tu  
G                      C      F              G                      C  
Silmaàos ilgi valdîsi tu
