

## **Love Vigilantes**

---

Instrumental intro G C D G

Oh I just come from the land of the sun  
from a war that must be won in the name of truth  
With our soldiers so brave your freedom we will save  
with our rifles and grenades and some help from God

**I want to see my family  
my wife and child waiting for me  
just to go home I've been so alone you see**

You just can't belieeeeve the joy I did receive  
when I finally got my leave and I was going home  
Oh I fleeew through the sky my convictions could not lie  
for my country I would die and I will see it soon

### **CHORUS**

Do do do do...

When I walked through the door my wife she lay upon  
the floor  
and with tears her eyes were sore I did not know why  
Then I looked into her hand and I saw the telegram  
said that I was a brave, brave man but that I was dead

**CHORUS 3X**  
**(replace: I've got to go home, I've been so alone)**
