

## Sad Songs and Waltzes

C G C  
I'm writing a song all about you  
F C  
A true song as real as my tears  
F  
But you've no need to fear it  
C F  
'Cause no one will hear it  
C G C  
Sad songs and waltzes aren't selling this year

C G C  
I'll tell all about how you cheated  
F C  
I'd like for the whole world to hear  
F  
I'd like to get even  
C F  
With you 'cause you're leavin'  
C G C  
But sad songs and waltzes aren't selling this year

G C  
**It's a good thing that I'm not a star**  
D7 G G7  
**You don't know how lucky you are**  
C  
**Though my record may say it**  
F  
**No one will play it**  
C G C  
**Sad songs and waltzes aren't selling this year**
