

# Just what I needed

---

CAPO 2

(ACOUSTIC ONLY)

D                  A                  Bm                  F#

I don't mind you coming here, and wasting all my time.

D                  A                  Bm                  F#

'Cuz when you're standin' oh so near, I kinda lose my mind

D                  A                  Bm                  F#

It's not the perfume that you wear, It's not the ribbons in your hair

D                  A                  F#                  G

I don't mind you coming here, and wasting all my time.

(ACOUSTIC AND ORGAN, EASY DRUMS)

D                  A                  Bm                  F#

I don't mind you hangin' out, and talking in your sleep.

D                  A                  Bm                  F#

It doesn't matter where you've been, as long as it was deep.

D                  A                  Bm                  F#

You always knew to wear it well, yeah, you look so fancy I can tell

D                  A                  F#                  G

I don't mind you hangin' out, and talking in your sleep.

(FULL BAND)

D A                  Bm                  G

I guess you're just what I needed

*Just what I needed*

D A                  Bm                  G

I needed someone to feed

D A                  Bm                  G

I guess you're just what I needed

*Just what I needed*

D A                  Bm                  G

I needed someone to bleed.
