Hearts gone astray, Keeping up when they go

A D A

I went away, Just when you needed me so

A D A

You won't regret, I'll come back begging you

A D F# B

Don't you forget, Will come love we once knew, YEAH

E B A

Open up your eyes, Then you realize

F#m B E

Here I stand in line, Everlasting love

E B A

Need you by my side, Love will be my pride

F#m B E

You'll never be denied, Everlasting love

E B A

Love will never starve, Open up your heart

F#m B E

Feel the love you've got, Everlasting love

E F#m C E

This love will last forever, This love will last forever

When life really flows, No one really knows

F#m B E  
The sun will have to show, Everlasting love

E B A  
Like the sun it shines, Endlessly it shines

F#m B E  
You always will be mine, Eternal Love.

E B A  
Whatever love went wrong, Ours will still be strong

F#m B E  
We'll have our own, Everlasting love

E F#m C E  
This love will last forever, This love will last forever
