

## In your eyes

---

Bm G Bm G

Love I get so lost, sometimes

Bm G Bm G

days pass and this emptiness fills my heart

Bm G Bm G

when I want to run away I drive off in my car

Bm G Bm G

but whichever way I go I come back to the place you are

A G

all my instincts, they return

and the grand facade, so soon will burn

without a noise, without my pride

I reach out from the inside G G G

E A

in your eyes the light the heat, in your eyes I am complete

E A

in your eyes I see the doorway to a thousand churches

E A E

in your eyes the resolution of all the fruitless searches

A E

Oh I see the light and the heat, oh, I want to be that complete

A E

I want to touch the light the heat I see in your eyes

Bm G Bm G

love, I don't like to see so much pain

Bm G Bm G

so much wasted and this moment keeps slipping away

Bm G Bm G

I get so tired of working so hard for our survival

Bm G Bm G

I look to the time with you to keep me awake and alive

A G  
all my instincts, they return  
and the grand facade, so soon will burn  
without a noise, without my pride  
I reach out from the inside G G G

E A  
*in your eyes* the light the heat, in your eyes I am complete

E A  
*in your eyes* I see the doorway to a thousand churches

E A E  
*in your eyes* the resolution of all the fruitless searches

A E  
Oh I see the light and the heat, oh, I want to be that complete

A E  
I want to touch the light the heat I see in your eyes

E A repeat “*in your eyes*” ad nauseum

Bm G ad lib to end
