I grew up just west of the tracks

D C

G

Holding me to hold me back, around your door she's calling out my name

G D

She said son won't you go outside, I've got a man coming over tonight

C G

the seventh one in seven days

G

So I walk down to the parking lot,

D C G

hang around with all my friends, and roam the streets 'til dawn breaks again

G D

I come in at five a.m. and she is waiting for me

C

She said where have you been, I said I was out

G

She said you're no good cause you're running without love

||: G D

Cause I'm going straight to hell, Just like my momma said

C G :||

I'm going straight to hell

The black widow and the ladies man

Met down at the laundromat and tried to make me understand

The neighbors were all in a stir

about what they might have heard

and running down and shouted out it seemed

Next door a girl she lives, about the same age as me

and asked me to come upstairs for a see

Just then her mother burst in, said you're that son of that bitch in the wind

Get out of my house and hit the road

and I kept fallin' like a Rolling Stones song

[CHORUS]

The stars came out and warned me so

As I walked on down the road

Fifty bucks and a suitcase steered me clear

She took my hand as we walked into the sun

A new days promise had begun

We'll make it alone whether you like it or not

I turned around and shouted help me, mother
